**First
things
first.**

The background is a solid orange color. In the center, the numbers 1 through 6 are arranged vertically in a light orange, sans-serif font. Below the numbers, the phrase "First things first." is written in a bold, white, sans-serif font with a subtle drop shadow. On the left and right sides, there are large, faint, geometric starburst patterns. On the right side, there are three small, light pink circles arranged vertically.

1 Determine your "why."

Why did you start your Ambit business?

Do you want to fund your retirement? Buy a new house? Pay for your kid's college education? Your "why" is your ultimate goal, your reason for building your own business. Write down your "why" and keep it as a reminder. Be ready to share it with others.

2 Log on to your PowerLine voice-messaging account.

Everyone gets PowerLine Basic for free.

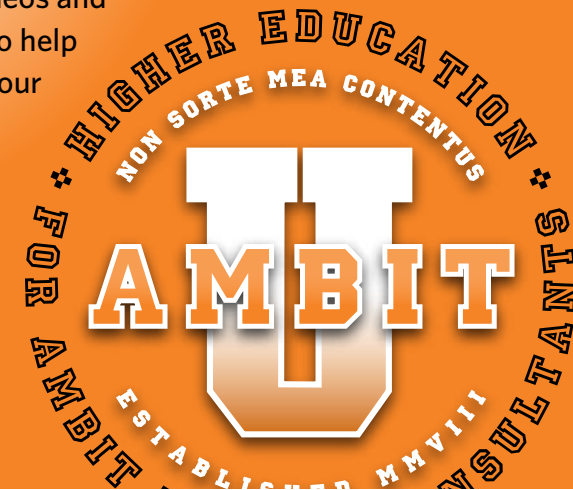

This enables you to receive messages from the Ambit Corporate office and upline leaders. To set up your account:

- Call (712) 432-9591.
- Enter your Consultant ID number (without the "C").
- Enter 1234 as access code.
- Follow the tutorial to complete your setup.

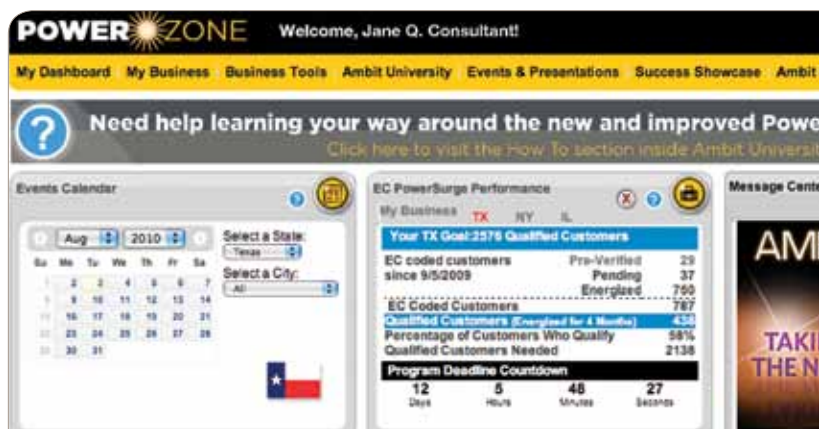

3 Get trained.

Visit the Ambit University section of Power Zone, where you will find training videos and materials to help you build your business.

4 Take a tour of Power Zone.

Use your Consultant ID and password to log in to your Power Zone back office. Your Consultant ID and password are contained in the email you received when you joined the business.

5 Familiarize yourself with your websites.

- yourwebnickname.energy526.com
- yourwebnickname.joinambit.com

If you haven't already done so, enroll yourself as a customer.

6 Keep it simple!

This business is about two things: gathering customers, and building a team of entrepreneurs who do the same thing. The following information was designed to help you do just that. Let's get started!
